

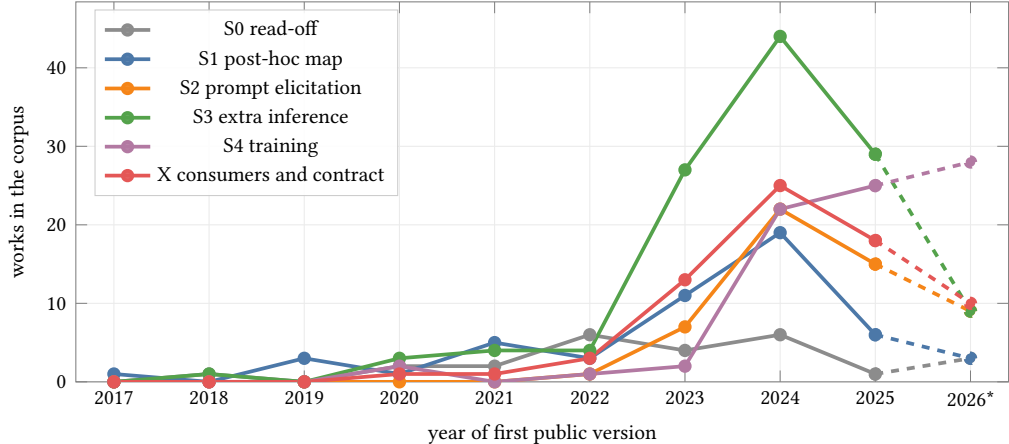

Fig. 7. **Works per stage per year** (Tables C1 and F1). 75 of the 80 training-stage (S4) works appeared in 2024 to 2026 (94%), against 166 of the 252 works at stages S0 to S3 (66%) over the same years. *2026 covers January to September, drawn dashed. The 5 theory and analysis works are not plotted.
